Krider's Bulbs for Fall Planting

Gold Medal Quality Darwin Tulips

This class flowers late. They are very robust and thrive and bloom everywhere with wonderful effect. The long stems make them particularly useful for cut flowers. The flowers are of all colors. Our Darwin Tulips are famous wherever known.

Gold Medal Quality Cottage Tulips

This beautiful late class is now rivaling the famous Darwin Tulips for the popular favor. They comprise every known color—blood-red, scarlet, clear yellow, violet, and shades and tints such as are not found in any other class. The flowers have long stems like Darwins, are of great substance, and a long time as cut flowers. They cut late.

Combination Indoor Fish Pool and Fernery

(Patent Applied For)

We are indeed fortunate to be among the first to offer this novel combination fish pool and fernery. This is something you have been looking for. You will be delighted with the realistic touch of nature which this novel arrangement brings to your home. There is a never-ending interest in this indoor pool and flower garden.

Save Your Choice Plants and Fish

By using this indoor pool and garden you can save your choice water plants and tender lilies and carry them over until next spring. The combination pool and fernery costs less than the price of one choice blue water lily. Bring the fish from your outdoor pool and place them in natural surroundings during the winter. The pool is placed so it may be completely surrounded by ferns and other plants. There is no end to the enjoyment you can derive from this attractive bit of indoor landscaping.

An Attractive Piece of Furniture

This all-metal fernery is beautifully finished in a rich brown mahogany, which will harmonize with the furnishings of any home. The irregularly shaped pool holds eight gallons of water, which is sufficient for a large number of fish. Over-all dimensions are 26 inches high from the floor, 20 inches wide and 31 inches long. The fernery itself is eight inches deep. It is shipped knocked down, with parts furnished for attaching the legs.
